

The Concept

A hut-to-hut / point-to-point multi-use mountain bike trail connecting VMBA chapters across the state of Vermont. When complete, the [Velomont Trail](#) will run from Canada to Massachusetts.

Phase One

85

Miles of single-track trail

12

New Backcountry Huts

9

Towns Connected

6

Linked Mountain Bike Chapters

Progress

- Phase One corridor identified summer/fall 2017
- 12 hut zones identified
- Fundraising for Pittsfield to Rochester trail connection
- First hut built - coming online summer 2018

Goals for 2018

- Identify new funding sources
- Gather additional feedback from land managers
- Prioritize next hut/trail build and submit proposals
- Begin Economic Impact Study

Impact

- Connects rural communities through outdoor recreation
- Trailheads and huts create new points of access to the outdoors for beginners
- Strengthens Vermont's recreation portfolio
- Like nothing else in the US

Partners

Vermont Huts and VMBA are working closely with the following entities:
